SUBJECT: Change in Academic Programs for FY 2011

You are receiving this important letter because you are currently participating in either the Continuing Education Program (CEP) or the Graduate Study Program (GSP) for FY 2011 Program Year.

As you know, this year's training budget has been greatly reduced due to the Continuing Resolution. While we are doing everything we can to ensure that we offer good, quality development opportunities internally, we have had to look very closely at all external development programs for FY 2011.

Due to these financially stringent times, we regret to announce that we will no longer accept training requests for FY 2011 Spring, Summer, or Fall courses. Requests for FY 2011 Spring courses received by the Training Office as of March 4, 2011, are being processed as usual.

In addition, we will not issue an Academic Programs call for the FY 2012 program year. Support for these programs will begin again in calendar year 2012 – pending funding approval from Congress. As more information becomes available, we will provide additional guidance in this area.

If you have any additional questions, please contact Adib Sabree on (202) 358-0922 or via email at adib.h.sabree@nasa.gov.
